Thank You!

By BRIAN GIBB

First off, I would like to thank all of the exhibitors and all who came out in support of our first year, without you none of this would have been possible. To Lindsay Von Hagel, you are truly amazing...your hard work always kept the ball rolling. To Mylan, for working the ticket table all weekend, your tan has never looked better. To Billy Zinser for rolling out the 20 ft tall inflatable Macrodon, which signaled you were in the place to be. To Heyd Fontenot and Brian Scott for the late night wall patching session, so much more was accomplished than pitch perfect walls. To Brendan, Taro and Magnificent Beard, for keeping the prints moving along in the Print Suite.

A big thanks to our media sponsor **D Magazine**, who took a chance on this first year fair, the exposure you gave our fair was amazing. Thanks to **Madison Partners** for their timely support of the event, if you are looking to expand or open a new spot in Dallas, they are your people. Thanks to Michael Azcona and everyone at **Versa Printing** for doing such an amazing job with the catalogue, print with these people, they are incredible to work with.

Additional thanks to **Arts + Culture Magazine**, **Brad Ford Smith** at **Art & Seek**, **Art Ltd**, **Art in America** and **Artillery Magazine** for their support of the fair.
