

How To Draw and Create Your Own Superhero!

For ages 9-13 • Limit 10 students

In part 1 of this class we will go over the basic concept of drawing a superhero in the so-called “Marvel Style.” Proportions of drawing a superhero body and fleshing it out, then applying it to a current character. We will then discuss coming up with your own superhero which the student will also work on at home.

In part 2, the students will present the idea for their character. The instructor will help modify it and then work with students individually as they work on their own character in class.

2 sessions. Materials supplied. \$45 Deadline for Registration: Sun April 15th
There are no refunds or partial refund if a student makes only 1 session.
