Dear Phil,

I would like to thank you for exhibiting your drawings and photographs at the Springfield Museum of Art. Our audiences were very much impressed with your draughtsmanship. Your drawings were fabulous and the subject matter exotic and thought provoking. The accompanying photos were wonderfully clear.

At our opening, your slide presentation was stunningly beautiful. I shall try to catch it again on PBS.

With work such as yours, I am sure you will have every success.

All my best,

Sincerely,

SPRINGFIELD MUSEUM OF ART
