Dear Phil & Carole:

On behalf of the Board of Trustees and Staff of The Canton Museum of Art, I would like to express our sincere thanks to you for providing us with the opportunity of presenting your fine exhibition, **"Visions from the Fields of Merit."** I can't tell you how disappointed I was that we were forced to cancel the Tibetan exhibition and program which was to accompany your show, but we found ourselves in a very serious budgetary situation, and had no choice in the matter.

Still, your exhibition, the workshop and the lecture you presented here, and the video, were superb, and well-received. I was particularly captivated by the works on the hand-made paper, and being a traveller of sorts myself, the photos were very evocative. Thanks for being such a good friend to the Museum, and if there are any other unique artistic possibilities on the horizon, I hope you will think of us.

Cordially,

A handwritten signature in blue ink, appearing to read 'M. J. Albacete', is written over the typed name.
