CADOGAN CONTEMPORARY

87 Old Brompton Road, SW7 3LD

Elise Ansel: Drawn from History. Mar 8-28.

American painter takes on the collections of London, creating inspired gestural pastiches bright with movement and colour. Solely based on works held in London her rich paintings resound with familiarity. This exhibition is an intriguing and beautiful look at how masters of the past continue to influence contemporary art.

Mon-Sat 10-6
