HEATHER HUTCHISON, "Shear Painting,"
Margaret Thatcher, 511 West 25th Street,
(212) 675-0222 (through March 22). Applying
tinted beeswax in horizontal bands to plexi-
glass panels, Ms. Hutchison creates subtle
see-through paintings that look like frosted
glass. The panels are attached to wooden
frames, yielding a nice dialogue between the
physical immediacy and atmospheric dis-
tance (Johnson).
