Iban number: NL89 SNSB 0873 0468 62

Bic number: SNSBNL2A

\* Note: If you would like to receive an original drawing or collage please mention your name and address in your transaction

---

## Why donations?

The activity of art making is unfortunately still under valued.

Art is a labor of love that benefits a large, and diverse group of people within our society. Art enhances original diversity within buildings and public environments.

Art is important because it displays the expressions of individuals and generations within this society. Art brings beauty, inspiration, asks questions and make sometime uncomfortable statements.

With grateful thanks,  
Petra Groen
