Dear Philip:

The Board of Directors, the staff, and the membership of the Krasl Art Center would like to express our appreciation to you for sharing your time and efforts put forth in the exhibition *Visions From the Fields of Merit: Tibet and the Himalayas*. We are fortunate to have creative individuals of your caliber willing to exhibit at the Krasl.

It has been a pleasure to work with you over the past few months. We hope your experience here at the Krasl was a positive one.

Sincerely,
