To Whom It May Concern:

We are very fortunate to have had the experience of hosting an exhibit of Philip Sugden's work in our Unity Gallery in September of 1996. The work was beautiful, provocative, inspiring and our viewers all expressed a deep satisfaction upon experiencing the artwork. It has probably been the most well-received show we have had in some time.

Mr. Sugden has been very easy and friendly to work with, and very professional in his dealings with us. His work is of the highest quality, and well-presented and installed. He gave several presentations to our students and community which were fascinating and inspired many to inquire further into the possibilities of travel to Tibet in order to experience his subject matter first-hand.

We recommend Philip Sugden and his artwork most highly, and look forward to hosting an exhibit of his work again in the future.

Sincerely,

Elizabeth Henry
