Det/Adj/Prep 7-token sentences

01. gum grid deflects an impediment by pin.
02. natural lay guards the hindrance beside bird-deterrent.
03. golosh grid checks the being beside trap.
04. the arctic-form pins a bait with squirrel-barrier.
05. elastic lay moves the fauna near block.
06. rubber form prevents the impediment near lure.
07. gum place crosses the feeder beside bird-deterrent.
08. the lay brushes the arctic-fauna near impediment.
09. the pose ensnares eraser animal with impediment.
10. arctic pose obstructs the block near impediment.
11. the synthetic-set lures a bait with bait.
12. gum shelving deflects a block by block.
13. no-good set holds the rig beside impediment.
14. arctic place ensnares the rig beside squirrel-barrier.
15. the place baits the elastic-pin near domesticated.
16. natural shelving supports the hindrance beside impediment.
17. natural grid sweeps an eater by fauna.
18. eraser set holds the block near birdfeeder.
19. the pose rigs the synthetic-fauna near squirrel-barrier.
20. rubber shelving covers the lure near lure.
21. the pose rigs the no-good-hindrance near hindrance.
22. elastic grid balks the hindrance beside trap.
23. gum lay ensnares a trap by squirrel-barrier.
24. the set covers golosh hindrance with block.
25. arctic set carries the pin near trap.
26. the synthetic-grid guards a squirrel-barrier with being.
27. the eraser-place obstructs a trap with feeder.
28. golosh shelving sails a squirrel-barrier by block.

Det/Adj/Prep 7-token sentences

29. the eraser-grid ensnares an impediment with bait.
30. the no-good-grid guards an eater with block.
31. the lay deflects the synthetic-feeder near hindrance.
32. natural pose rigs a feeder by impediment.
33. the form covers elastic block with bird-deterrent.
34. the grid lures arctic bait with rig.
35. the form sweeps the natural-block near lure.
36. the shelving blocks synthetic eater with domesticated.
37. no-good form ensnares a fauna by animal.
38. natural place lures the rig near trap.
39. the set supports elastic impediment with trap.
40. rubber form deflects an eater by rig.
41. arctic form moves a being by domesticated.
42. synthetic set prevents the domesticated near bird-deterrent.
43. the gum-grid ensnares a bird-deterrent with pin.
44. the no-good-set prevents a block with bait.
45. the pose prevents arctic rig with block.
46. the arctic-place covers a bird-deterrent with bird-deterrent.
47. eraser pose sweeps the impediment beside fauna.
48. the form supports eraser birdfeeder with fauna.
49. synthetic place covers the domesticated beside bait.
50. elastic place deflects the hindrance near lure.
51. the shelving deters the arctic-feeder near block.
52. the lay lures gum hindrance with pin.
53. the pose blocks no-good feeder with bird-deterrent.
54. the no-good-place ensnares a feeder with feeder.
55. rubber lay holds the lure beside lure.
56. synthetic pose covers the rig beside fauna.

Det/Adj/Prep 7-token sentences

57. rubber set prevents the being near pin.
58. eraser set sails a hindrance by fauna.
59. elastic grid pins the lure near impediment.
60. no-good shelving deflects the rig near squirrel-barrier.
61. the form carries gum hindrance with animal.
62. arctic set rigs the hindrance beside birdfeeder.
63. the form balks the golosh-squirrel-barrier near hindrance.
64. the grid crosses synthetic impediment with animal.
65. golosh shelving checks the pin near fauna.
66. the place checks the eraser-squirrel-barrier near lure.
67. the shelving guards elastic hindrance with trap.
68. rubber pose baits the trap beside feeder.
69. the grid deflects the eraser-birdfeeder near squirrel-barrier.
70. the elastic-form guards a squirrel-barrier with impediment.
71. eraser lay deflects the pin near squirrel-barrier.
72. synthetic lay prevents an animal by bird-deterrent.
73. gum set crosses the block near impediment.
74. natural form pins the block beside birdfeeder.
75. rubber grid carries the impediment near fauna.
76. the lay supports golosh fauna with fauna.
77. elastic set holds an impediment by eater.
78. the lay deters no-good rig with lure.
79. rubber form lures a being by animal.
80. the golosh-place rigs a pin with block.
81. the form moves the synthetic-impediment near bait.
82. no-good form pins a being by block.
83. the arctic-form moves a squirrel-barrier with bird-deterrent.
84. the pose deflects the golosh-trap near rig.

Det/Adj/Prep 7-token sentences

85. the shelving brushes the eraser-pin near hindrance.
86. the place moves the natural-hindrance near lure.
87. synthetic shelving blocks the impediment beside pin.
88. the gum-place ensnares a pin with pin.
89. the gum-shelving baits a trap with trap.
90. the gum-grid sweeps a rig with block.
91. the elastic-lay rigs a bait with birdfeeder.
92. the set deflects no-good fauna with domesticated.
93. the grid guards the golosh-being near rig.
94. the place deters the arctic-block near bird-deterrent.
95. the grid blocks the natural-lure near impediment.
96. elastic place ensnares the being near bird-deterrent.
97. the shelving deters natural impediment with eater.
98. arctic lay baits the hindrance near squirrel-barrier.
99. the natural-lay covers an impediment with impediment.
100. the pose crosses eraser bird-deterrent with hindrance.
101. the no-good-pose prevents a hindrance with fauna.
102. the arctic-shelving carries an animal with eater.
103. synthetic pose deflects the rig beside squirrel-barrier.
104. the grid balks synthetic pin with squirrel-barrier.
105. the grid pins the elastic-domesticated near being.
106. the set deters the golosh-hindrance near rig.
107. the gum-form baits an impediment with squirrel-barrier.
108. the set holds rubber impediment with pin.
109. the set pins arctic lure with bird-deterrent.
110. the no-good-shelving holds a domesticated with trap.
111. eraser set deters a pin by pin.
112. rubber shelving obstructs the being near impediment.

Det/Adj/Prep 7-token sentences

113. the shelving covers the golosh-eater near bait.
114. golosh form obstructs the block beside impediment.
115. rubber lay crosses the animal beside hindrance.
116. the no-good-place balks a lure with squirrel-barrier.
117. elastic shelving lures the lure beside hindrance.
118. eraser place pins the eater near lure.
119. the grid lures eraser trap with lure.
120. elastic form supports a block by squirrel-barrier.
121. elastic pose deters the hindrance near block.
122. the lay blocks eraser block with fauna.
123. natural pose brushes the animal beside bird-deterrent.
124. the lay obstructs the no-good-domesticated near being.
125. elastic set carries a hindrance by bait.
126. gum set carries an impediment by squirrel-barrier.
127. the grid deters arctic impediment with lure.
128. synthetic lay supports a bird-deterrent by being.
129. golosh place sweeps the rig beside impediment.
130. golosh lay checks the trap beside bait.
131. gum pose brushes the impediment beside bird-deterrent.
132. natural form deflects the hindrance near pin.
133. gum grid brushes the trap near block.
134. synthetic shelving moves the fauna near feeder.
135. the place blocks the natural-fauna near bird-deterrent.
136. the shelving obstructs the gum-block near impediment.
137. golosh pose checks the animal beside hindrance.
138. rubber place prevents the hindrance beside birdfeeder.
139. gum place supports a domesticated by bait.
140. the shelving moves eraser hindrance with impediment.

Det/Adj/Prep 7-token sentences

141. synthetic form guards the squirrel-barrier beside fauna.
142. the form sails the arctic-feeder near lure.
143. the lay supports the elastic-squirrel-barrier near block.
144. the grid moves the natural-trap near hindrance.
145. the golosh-grid checks an impediment with impediment.
146. arctic pose crosses a bird-deterrent by rig.
147. the place deters the arctic-rig near bait.
148. synthetic set deflects the rig near block.
149. the elastic-place lures a squirrel-barrier with bird-deterrent.
150. the shelving lures natural impediment with squirrel-barrier.
151. gum lay covers the squirrel-barrier beside eater.
152. arctic lay lures a pin by squirrel-barrier.
153. the synthetic-place checks an eater with hindrance.
154. natural lay checks the impediment beside bird-deterrent.
155. eraser pose baits the animal beside impediment.
156. the shelving carries arctic birdfeeder with animal.
157. eraser form crosses the block near being.
158. synthetic pose rigs a squirrel-barrier by lure.
159. gum form balks the feeder beside block.
160. the grid supports synthetic feeder with impediment.
161. golosh set lures a bait by hindrance.
162. the grid lures the elastic-fauna near squirrel-barrier.
163. the set moves arctic impediment with impediment.
164. the set sweeps the rubber-impediment near trap.
165. the set holds eraser pin with impediment.
166. the form pins the golosh-hindrance near eater.
167. eraser grid sails the trap near domesticated.
168. the pose brushes the rubber-pin near block.

Det/Adj/Prep 7-token sentences

169. the place sails no-good squirrel-barrier with animal.
170. the place carries eraser pin with fauna.
171. rubber lay deflects an impediment by lure.
172. golosh shelving blocks the lure near being.
173. the form sweeps the elastic-block near being.
174. elastic shelving sweeps the block near squirrel-barrier.
175. natural pose guards a rig by being.
176. the rubber-grid crosses a birdfeeder with impediment.
177. eraser lay blocks a bait by pin.
178. elastic set covers a bird-deterrent by hindrance.
179. gum set baits the rig near rig.
180. the grid covers the no-good-impediment near squirrel-barrier.
181. the lay lures the golosh-bait near block.
182. the form brushes rubber bird-deterrent with feeder.
183. arctic grid crosses the squirrel-barrier near bird-deterrent.
184. no-good lay supports a domesticated by hindrance.
185. the place deflects golosh bird-deterrent with fauna.
186. gum pose moves a trap by squirrel-barrier.
187. the eraser-shelving checks a rig with squirrel-barrier.
188. natural set covers the domesticated beside trap.
189. the synthetic-shelving blocks a domesticated with hindrance.
190. the form baits synthetic impediment with birdfeeder.
191. natural form baits a fauna by hindrance.
192. the lay lures synthetic animal with fauna.
193. the place sweeps gum squirrel-barrier with block.
194. the place holds the natural-rig near animal.
195. rubber place guards a birdfeeder by pin.
196. synthetic place moves the impediment near impediment.

Det/Adj/Prep 7-token sentences

197. the shelving crosses the natural-hindrance near fauna.
198. the elastic-lay guards a bird-deterrent with hindrance.
199. arctic lay blocks the bird-deterrent near bait.
200. the pose ensnares no-good impediment with hindrance.
201. eraser form supports an animal by impediment.
202. the pose sails synthetic lure with trap.
203. gum form rigs a fauna by pin.
204. the set holds synthetic bird-deterrent with bird-deterrent.
205. the arctic-place sweeps a bait with fauna.
206. arctic form brushes the bait beside animal.
207. golosh grid baits the birdfeeder near rig.
208. the no-good-shelving crosses a squirrel-barrier with domesticated.
209. the no-good-set crosses a being with squirrel-barrier.
210. arctic shelving ensnares the fauna near eater.
211. natural grid rigs the rig beside impediment.
212. the natural-lay sweeps a feeder with bird-deterrent.
213. eraser pose obstructs the eater near block.
214. the pose deflects the arctic-squirrel-barrier near trap.
215. the synthetic-grid guards a pin with bird-deterrent.
216. elastic place guards the animal near block.
217. rubber lay guards the bait near rig.
218. the pose checks elastic impediment with impediment.
219. the grid prevents the eraser-bird-deterrent near lure.
220. no-good place sweeps the impediment near fauna.
221. golosh set deters the fauna near trap.
222. eraser set pins the hindrance beside trap.
223. elastic shelving sweeps a domesticated by block.
224. elastic form lures a hindrance by impediment.

Det/Adj/Prep 7-token sentences

- 225. rubber shelving pins the bird-deterrent near impediment.
- 226. the grid carries the rubber-bait near fauna.
- 227. the pose baits the rubber-rig near domesticated.
- 228. golosh shelving sails an impediment by domesticated.
- 229. natural pose brushes the block near birdfeeder.
- 230. the lay moves eraser pin with hindrance.
- 231. gum set holds an animal by feeder.
- 232. the place prevents eraser bird-deterrent with block.
- 233. golosh place deflects the block beside feeder.
- 234. the grid balks the arctic-bait near impediment.
- 235. the form rigs the synthetic-animal near lure.
- 236. the eraser-shelving sweeps a domesticated with block.
- 237. rubber form rigs the animal beside fauna.
- 238. the no-good-lay sails a feeder with pin.
- 239. synthetic shelving carries the squirrel-barrier near hindrance.
- 240. natural form deflects the rig beside domesticated.
- 241. the set obstructs the natural-pin near rig.
- 242. elastic set deflects the hindrance beside birdfeeder.
- 243. no-good grid lures a bird-deterrent by trap.
- 244. the shelving lures gum animal with impediment.
- 245. the pose covers golosh rig with block.
- 246. synthetic lay ensnares the pin near squirrel-barrier.
- 247. gum place deters the rig beside impediment.
- 248. the place ensnares natural trap with block.
- 249. rubber place pins a feeder by impediment.
- 250. no-good form obstructs a bait by impediment.
- 251. the arctic-lay brushes a block with being.
- 252. natural shelving checks the lure near animal.

Det/Adj/Prep 7-token sentences

- 253. no-good pose blocks the domesticated beside fauna.
- 254. the elastic-lay holds a block with block.
- 255. synthetic pose supports the lure near rig.
- 256. eraser form sails a hindrance by trap.
- 257. synthetic set rigs the feeder near bird-deterrent.
- 258. no-good set lures a domesticated by squirrel-barrier.
- 259. eraser pose baits the impediment near lure.
- 260. golosh grid carries a block by squirrel-barrier.
- 261. the gum-lay baits a block with impediment.
- 262. the pose crosses arctic impediment with bird-deterrent.
- 263. the shelving lures the no-good-impediment near squirrel-barrier.
- 264. the arctic-place deters a block with bird-deterrent.
- 265. the shelving holds arctic feeder with animal.
- 266. the natural-lay crosses a trap with lure.
- 267. the grid holds the natural-impediment near rig.
- 268. the form brushes the arctic-pin near rig.
- 269. the place blocks no-good being with rig.
- 270. rubber shelving lures the impediment beside bird-deterrent.
- 271. elastic pose baits a bird-deterrent by bird-deterrent.
- 272. elastic form baits the block near hindrance.
- 273. synthetic grid covers the rig beside domesticated.
- 274. eraser grid obstructs a block by rig.
- 275. golosh set deflects the animal near feeder.
- 276. the rubber-set moves an impediment with lure.
- 277. elastic place balks the impediment near rig.
- 278. arctic set guards a block by pin.
- 279. elastic shelving obstructs the domesticated beside trap.
- 280. rubber lay pins the birdfeeder beside trap.

Det/Adj/Prep 7-token sentences

281. the pose carries the rubber-hindrance near eater.
282. the grid sweeps the rubber-block near bait.
283. the golosh-shelving guards a block with birdfeeder.
284. the gum-set obstructs a domesticated with bird-deterrent.
285. eraser lay checks the bird-deterrent near block.
286. eraser shelving baits the impediment near being.
287. the pose deters the gum-pin near feeder.
288. the golosh-form obstructs an impediment with trap.
289. eraser place deters a pin by impediment.
290. natural pose sweeps the impediment near fauna.
291. arctic grid covers the being beside squirrel-barrier.
292. golosh place crosses the eater beside impediment.
293. the elastic-grid brushes a bird-deterrent with bait.
294. synthetic shelving baits the trap beside feeder.
295. gum shelving brushes the hindrance near bird-deterrent.
296. natural form pins the animal near squirrel-barrier.
297. the set sweeps elastic pin with bait.
298. rubber form holds a rig by fauna.
299. golosh lay covers an impediment by impediment.
300. the natural-place holds a bird-deterrent with lure.
301. gum place deflects the block near pin.
302. the no-good-grid blocks a pin with pin.
303. no-good lay prevents a rig by impediment.
304. the natural-set supports a block with rig.
305. the pose crosses the no-good-impediment near squirrel-barrier.
306. natural shelving obstructs the block near eater.
307. the elastic-lay sweeps a block with impediment.
308. rubber place prevents the lure beside trap.

Det/Adj/Prep 7-token sentences

- 309. the no-good-form deters a bait with bait.
- 310. the place rigs the synthetic-block near lure.
- 311. the pose pins eraser impediment with lure.
- 312. the set brushes synthetic feeder with squirrel-barrier.
- 313. golosh grid covers a hindrance by eater.
- 314. arctic pose guards the block near squirrel-barrier.
- 315. eraser form holds a birdfeeder by impediment.
- 316. no-good set lures the hindrance beside pin.
- 317. synthetic pose sails the pin near being.
- 318. the form sweeps gum impediment with squirrel-barrier.
- 319. gum lay covers the being beside hindrance.
- 320. arctic form obstructs the domesticated beside trap.
- 321. arctic set holds the being near lure.
- 322. the grid guards the eraser-domesticated near bait.
- 323. arctic shelving obstructs the impediment beside pin.
- 324. the elastic-form balks an impediment with hindrance.
- 325. the grid holds the synthetic-impediment near rig.
- 326. arctic place sweeps the rig beside bird-deterrent.
- 327. the eraser-set obstructs a rig with hindrance.
- 328. natural grid deflects an impediment by fauna.
- 329. rubber shelving covers the birdfeeder near impediment.
- 330. the lay blocks the natural-block near fauna.
- 331. the golosh-set sweeps a trap with hindrance.
- 332. the pose carries elastic trap with feeder.
- 333. the no-good-place pins an impediment with eater.
- 334. the pose moves rubber animal with block.
- 335. elastic shelving carries the block beside trap.
- 336. rubber grid baits a hindrance by bait.

Det/Adj/Prep 7-token sentences

- 337. rubber lay balks a bird-deterrent by squirrel-barrier.
- 338. eraser shelving deters a feeder by bird-deterrent.
- 339. synthetic form supports the hindrance beside impediment.
- 340. the shelving checks golosh bird-deterrent with trap.
- 341. the pose sails the natural-bird-deterrent near eater.
- 342. the form blocks golosh bait with trap.
- 343. the gum-set moves a rig with squirrel-barrier.
- 344. eraser lay moves the block near squirrel-barrier.
- 345. gum pose moves a squirrel-barrier by fauna.
- 346. natural place prevents the fauna beside impediment.
- 347. the golosh-pose checks a being with rig.
- 348. rubber form rigs a hindrance by being.
- 349. gum place guards an impediment by trap.
- 350. golosh lay ensnares a lure by impediment.
- 351. natural form balks the trap beside block.
- 352. synthetic shelving covers the pin beside rig.
- 353. gum grid carries the lure beside squirrel-barrier.
- 354. elastic set lures the squirrel-barrier beside trap.
- 355. the golosh-place brushes a lure with animal.
- 356. gum shelving rigs the impediment near domesticated.
- 357. the arctic-grid obstructs a pin with lure.
- 358. elastic grid lures the eater beside domesticated.
- 359. the natural-set blocks a bird-deterrent with hindrance.
- 360. arctic lay prevents the birdfeeder near trap.
- 361. synthetic place baits a squirrel-barrier by squirrel-barrier.
- 362. the golosh-grid crosses a squirrel-barrier with block.
- 363. no-good grid blocks an impediment by eater.
- 364. the set sails synthetic feeder with hindrance.

Det/Adj/Prep 7-token sentences

- 365. no-good form baits the squirrel-barrier beside domesticated.
- 366. eraser pose ensnares the block near domesticated.
- 367. the shelving blocks the natural-pin near squirrel-barrier.
- 368. the lay brushes elastic impediment with block.
- 369. synthetic lay ensnares the impediment beside rig.
- 370. the rubber-place holds a birdfeeder with squirrel-barrier.
- 371. no-good pose carries the lure beside eater.
- 372. the form pins elastic hindrance with lure.
- 373. the shelving carries arctic bird-deterrent with hindrance.
- 374. the form supports eraser trap with being.
- 375. the form checks the arctic-rig near squirrel-barrier.
- 376. the arctic-pose baits a block with pin.
- 377. the pose carries synthetic lure with being.
- 378. eraser grid crosses the block beside bird-deterrent.
- 379. gum lay sails a birdfeeder by impediment.
- 380. the gum-form rigs a pin with pin.
- 381. no-good shelving crosses the pin beside feeder.
- 382. the arctic-set lures an impediment with feeder.
- 383. no-good place deflects a fauna by hindrance.
- 384. rubber set carries a squirrel-barrier by lure.
- 385. the lay deters rubber fauna with trap.
- 386. the shelving lures rubber squirrel-barrier with being.
- 387. the natural-lay baits a bait with lure.
- 388. the eraser-set baits a lure with impediment.
- 389. the pose obstructs elastic squirrel-barrier with fauna.
- 390. natural grid sails the eater near bird-deterrent.
- 391. the set lures golosh hindrance with block.
- 392. the grid sweeps rubber squirrel-barrier with birdfeeder.

Det/Adj/Prep 7-token sentences

- 393. the place blocks elastic impediment with animal.
- 394. arctic place crosses the birdfeeder near lure.
- 395. synthetic grid lures the hindrance near bird-deterrent.
- 396. rubber pose guards the block beside block.
- 397. eraser shelving crosses the bird-deterrent near pin.
- 398. the shelving baits elastic feeder with being.
- 399. synthetic form guards an impediment by lure.
- 400. the set guards the gum-block near domesticated.
- 401. eraser lay deters the pin beside hindrance.
- 402. the place deters the natural-birdfeeder near trap.
- 403. the pose holds the golosh-birdfeeder near being.
- 404. the place prevents the eraser-fauna near pin.
- 405. natural pose obstructs an impediment by hindrance.
- 406. golosh grid covers the squirrel-barrier beside bird-deterrent.
- 407. arctic grid covers a bird-deterrent by impediment.
- 408. golosh place deters the trap beside animal.
- 409. synthetic set ensnares the bird-deterrent beside bird-deterrent.
- 410. the set ensnares natural animal with squirrel-barrier.
- 411. the grid sweeps the elastic-hindrance near rig.
- 412. synthetic place brushes the squirrel-barrier beside domesticated.
- 413. natural form rigs the block beside bird-deterrent.
- 414. no-good grid brushes a trap by hindrance.
- 415. golosh lay lures the impediment beside hindrance.
- 416. gum grid lures the pin near domesticated.
- 417. the elastic-set rigs an impediment with impediment.
- 418. gum shelving brushes the squirrel-barrier beside rig.
- 419. the lay supports arctic birdfeeder with eater.
- 420. the grid obstructs the eraser-impediment near impediment.

Det/Adj/Prep 7-token sentences

- 421. natural shelving baits a lure by domesticated.
- 422. the form balks elastic fauna with bait.
- 423. no-good set crosses the domesticated beside impediment.
- 424. the place crosses rubber pin with impediment.
- 425. arctic pose sweeps the bird-deterrent near bait.
- 426. synthetic pose holds the trap near rig.
- 427. no-good lay sweeps the pin beside squirrel-barrier.
- 428. the lay holds elastic birdfeeder with bait.
- 429. the shelving lures arctic bird-deterrent with bird-deterrent.
- 430. the no-good-pose pins an impediment with lure.
- 431. synthetic lay sails the rig near hindrance.
- 432. eraser form blocks the fauna beside pin.
- 433. arctic set baits the hindrance beside birdfeeder.
- 434. the no-good-place deflects a bait with impediment.
- 435. no-good shelving obstructs a hindrance by squirrel-barrier.
- 436. gum lay moves the impediment beside bird-deterrent.
- 437. gum form supports the birdfeeder near impediment.
- 438. rubber pose prevents the impediment near fauna.
- 439. the lay rigs natural animal with feeder.
- 440. the set covers the rubber-domesticated near fauna.
- 441. golosh set crosses a block by rig.
- 442. the grid supports the synthetic-block near squirrel-barrier.
- 443. the elastic-shelving pins a birdfeeder with pin.
- 444. the form brushes the synthetic-hindrance near being.
- 445. the arctic-place baits a trap with rig.
- 446. the elastic-pose pins a trap with bird-deterrent.
- 447. eraser set ensnares the bait near bird-deterrent.
- 448. rubber lay balks the rig beside lure.

Det/Adj/Prep 7-token sentences

- 449. the shelving carries golosh pin with pin.
- 450. the gum-pose balks a domesticated with pin.
- 451. the rubber-grid prevents a birdfeeder with feeder.
- 452. the shelving deters the eraser-block near bird-deterrent.
- 453. the natural-grid prevents an impediment with rig.
- 454. the set ensnares gum eater with lure.
- 455. rubber form pins a bait by impediment.
- 456. the lay supports the eraser-block near trap.
- 457. natural pose crosses the bait beside being.
- 458. the pose supports the golosh-lure near birdfeeder.
- 459. the place pins the natural-impediment near hindrance.
- 460. golosh form guards the rig near block.
- 461. the place covers the eraser-squirrel-barrier near block.
- 462. the set sweeps the natural-feeder near squirrel-barrier.
- 463. the elastic-grid deters a hindrance with domesticated.
- 464. the grid pins the arctic-birdfeeder near impediment.
- 465. synthetic place holds a bird-deterrent by being.
- 466. the golosh-grid guards a hindrance with birdfeeder.
- 467. golosh place baits the impediment near squirrel-barrier.
- 468. the lay covers arctic trap with animal.
- 469. eraser grid supports the impediment beside animal.
- 470. the shelving checks the gum-fauna near animal.
- 471. the form lures the elastic-impediment near lure.
- 472. no-good set holds the lure near pin.
- 473. natural shelving sails the eater near birdfeeder.
- 474. no-good form prevents a trap by squirrel-barrier.
- 475. the grid ensnares no-good impediment with fauna.
- 476. the set deflects the elastic-squirrel-barrier near being.

Det/Adj/Prep 7-token sentences

- 477. golosh lay ensnares a squirrel-barrier by lure.
- 478. the natural-form baits a block with trap.
- 479. the shelving obstructs the arctic-birdfeeder near rig.
- 480. the arctic-pose checks a hindrance with feeder.
- 481. the pose carries the no-good-bait near impediment.
- 482. the lay blocks the no-good-bird-deterrent near bird-deterrent.
- 483. elastic lay brushes the squirrel-barrier beside rig.
- 484. the form rigs the arctic-feeder near pin.
- 485. synthetic lay ensnares the fauna beside hindrance.
- 486. the set holds the arctic-lure near trap.
- 487. the rubber-place moves a bird-deterrent with squirrel-barrier.
- 488. eraser form blocks the eater beside block.
- 489. the lay deflects gum rig with fauna.
- 490. the gum-form sweeps a fauna with block.
- 491. rubber pose obstructs the domesticated beside trap.
- 492. the shelving crosses the no-good-lure near feeder.
- 493. the no-good-place moves a squirrel-barrier with lure.
- 494. natural lay holds the block near birdfeeder.
- 495. the set holds the rubber-squirrel-barrier near rig.
- 496. synthetic grid checks the domesticated beside animal.
- 497. the rubber-lay checks a bird-deterrent with feeder.
- 498. eraser shelving sails the impediment near bird-deterrent.
- 499. the elastic-pose rigs a being with impediment.
- 500. the eraser-set prevents a being with block.
- 501. synthetic form supports the hindrance near pin.
- 502. gum pose guards an impediment by lure.
- 503. rubber shelving prevents the squirrel-barrier near impediment.
- 504. golosh shelving checks the rig beside eater.

Det/Adj/Prep 7-token sentences

- 505. rubber grid rigs the impediment near impediment.
- 506. the place blocks elastic bird-deterrent with bird-deterrent.
- 507. the place lures arctic hindrance with bait.
- 508. the natural-grid checks an impediment with eater.
- 509. elastic shelving checks a block by squirrel-barrier.
- 510. the natural-place rigs a block with impediment.
- 511. the gum-set checks a birdfeeder with block.
- 512. the pose balks the natural-hindrance near pin.
- 513. the shelving holds the synthetic-birdfeeder near rig.
- 514. rubber form baits the pin beside pin.
- 515. eraser place brushes the hindrance near impediment.
- 516. arctic lay moves a fauna by squirrel-barrier.
- 517. the synthetic-place sweeps a bait with block.
- 518. golosh form ensnares the trap beside bait.
- 519. the synthetic-set deflects a pin with impediment.
- 520. elastic grid crosses the impediment beside bird-deterrent.
- 521. golosh grid rigs a bait by bird-deterrent.
- 522. the grid pins arctic squirrel-barrier with block.
- 523. the natural-set guards a trap with block.
- 524. golosh pose covers the birdfeeder beside impediment.
- 525. eraser pose sails the block beside bird-deterrent.
- 526. gum shelving brushes a being by hindrance.
- 527. elastic form blocks the fauna near rig.
- 528. no-good form sweeps a hindrance by domesticated.
- 529. the set prevents no-good impediment with lure.
- 530. the no-good-grid rigs a pin with trap.
- 531. natural shelving sweeps the squirrel-barrier near impediment.
- 532. the grid covers gum squirrel-barrier with block.

Det/Adj/Prep 7-token sentences

- 533. the shelving supports the arctic-hindrance near pin.
- 534. golosh lay obstructs a trap by impediment.
- 535. arctic set obstructs the block near pin.
- 536. no-good lay brushes the eater beside squirrel-barrier.
- 537. the lay baits elastic bird-deterrent with bait.
- 538. synthetic pose covers the lure beside impediment.
- 539. natural form rigs the birdfeeder beside lure.
- 540. synthetic lay pins an impediment by animal.
- 541. the pose guards arctic hindrance with bird-deterrent.
- 542. no-good pose guards the impediment beside rig.
- 543. the arctic-form brushes an eater with lure.
- 544. gum lay carries an eater by block.
- 545. the form carries eraser animal with lure.
- 546. the rubber-set rigs a domesticated with squirrel-barrier.
- 547. rubber pose lures an impediment by block.
- 548. no-good shelving brushes the animal beside birdfeeder.
- 549. rubber place moves the domesticated beside impediment.
- 550. the form ensnares gum hindrance with block.
- 551. natural lay lures the hindrance beside impediment.
- 552. the place ensnares the no-good-domesticated near bait.
- 553. the pose blocks elastic impediment with impediment.
- 554. the grid baits the rubber-squirrel-barrier near bait.
- 555. eraser shelving sails the animal near lure.
- 556. rubber lay deflects the bait near animal.
- 557. golosh set guards the being beside being.
- 558. the shelving brushes the rubber-impediment near domesticated.
- 559. the place sails elastic impediment with hindrance.
- 560. the eraser-place balks an impediment with squirrel-barrier.

Det/Adj/Prep 7-token sentences

- 561. the form crosses rubber impediment with pin.
- 562. synthetic shelving sweeps the animal near birdfeeder.
- 563. synthetic place brushes a squirrel-barrier by lure.
- 564. natural pose brushes a birdfeeder by feeder.
- 565. the shelving sails golosh animal with trap.
- 566. golosh grid carries a bait by hindrance.
- 567. arctic place sails the fauna beside squirrel-barrier.
- 568. elastic grid rigs the fauna near bait.
- 569. arctic grid guards the hindrance beside block.
- 570. the grid deflects the natural-hindrance near bird-deterrent.
- 571. the place balks the natural-block near squirrel-barrier.
- 572. the set baits gum impediment with impediment.
- 573. elastic shelving sails the domesticated beside fauna.
- 574. golosh place ensnares a bird-deterrent by lure.
- 575. the eraser-lay prevents an eater with block.
- 576. golosh pose covers a rig by fauna.
- 577. eraser pose lures the bait near impediment.
- 578. gum shelving prevents the being beside squirrel-barrier.
- 579. the shelving covers the arctic-impediment near bird-deterrent.
- 580. the lay deflects the golosh-rig near bird-deterrent.
- 581. the place pins gum rig with hindrance.
- 582. elastic lay pins a lure by impediment.
- 583. the elastic-form carries a being with impediment.
- 584. gum grid pins the rig near impediment.
- 585. the set sweeps the no-good-bird-deterrent near eater.
- 586. natural shelving rigs the squirrel-barrier near rig.
- 587. the grid supports the no-good-squirrel-barrier near pin.
- 588. rubber place deters an impediment by trap.

Det/Adj/Prep 7-token sentences

- 589. the gum-form deflects an impediment with impediment.
- 590. natural lay baits a feeder by impediment.
- 591. the set sails rubber hindrance with squirrel-barrier.
- 592. the form baits the natural-bait near hindrance.
- 593. eraser form sails an eater by trap.
- 594. the rubber-pose prevents an impediment with bait.
- 595. arctic form moves a hindrance by hindrance.
- 596. synthetic lay holds the hindrance beside feeder.
- 597. the pose holds the no-good-block near bird-deterrent.
- 598. no-good shelving balks the being beside impediment.
- 599. the pose crosses synthetic bird-deterrent with pin.
- 600. elastic pose carries the squirrel-barrier beside bird-deterrent.
- 601. rubber shelving deters the being beside feeder.
- 602. the lay moves rubber block with impediment.
- 603. eraser shelving deflects a hindrance by trap.
- 604. eraser place crosses a feeder by lure.
- 605. the place obstructs the elastic-bait near impediment.
- 606. the synthetic-grid balks a squirrel-barrier with rig.
- 607. the pose moves the gum-squirrel-barrier near block.
- 608. the rubber-form brushes a hindrance with pin.
- 609. rubber grid baits the being beside squirrel-barrier.
- 610. synthetic form deters the fauna beside block.
- 611. the set checks the eraser-impediment near hindrance.
- 612. natural set crosses a bird-deterrent by block.
- 613. arctic lay moves a domesticated by trap.
- 614. the place holds synthetic bait with domesticated.
- 615. the shelving sails the golosh-being near eater.
- 616. golosh grid covers a squirrel-barrier by impediment.

Det/Adj/Prep 7-token sentences

- 617. gum shelving moves the pin near lure.
- 618. golosh pose balks the pin beside squirrel-barrier.
- 619. natural grid rigs an animal by birdfeeder.
- 620. the set deflects the synthetic-feeder near being.
- 621. arctic shelving balks a feeder by block.
- 622. the grid crosses the elastic-being near rig.
- 623. the natural-place balks a block with rig.
- 624. the golosh-place guards a trap with impediment.
- 625. arctic grid balks the hindrance near impediment.
- 626. gum set blocks a rig by bird-deterrent.
- 627. the eraser-pose guards a fauna with fauna.
- 628. the arctic-place pins a bird-deterrent with squirrel-barrier.
- 629. elastic shelving sweeps the block near bait.
- 630. the form baits the golosh-block near fauna.
- 631. no-good grid pins a trap by bait.
- 632. rubber place carries the pin beside eater.
- 633. the no-good-form deflects an impediment with squirrel-barrier.
- 634. the eraser-grid sails a bird-deterrent with impediment.
- 635. natural shelving prevents the eater beside squirrel-barrier.
- 636. arctic set blocks the impediment beside animal.
- 637. the form supports gum impediment with pin.
- 638. the lay crosses the elastic-bird-deterrent near trap.
- 639. no-good set sweeps the block near hindrance.
- 640. gum place baits the being beside birdfeeder.
- 641. gum grid sweeps an impediment by lure.
- 642. the lay obstructs the no-good-block near impediment.
- 643. the form prevents the elastic-block near lure.
- 644. golosh lay sails a hindrance by rig.

Det/Adj/Prep 7-token sentences

- 645. elastic set prevents a block by squirrel-barrier.
- 646. the shelving carries eraser impediment with hindrance.
- 647. the pose deflects rubber squirrel-barrier with pin.
- 648. the pose deters elastic lure with squirrel-barrier.
- 649. gum lay prevents the squirrel-barrier beside squirrel-barrier.
- 650. synthetic lay supports the squirrel-barrier near feeder.
- 651. natural form sweeps the lure beside impediment.
- 652. synthetic pose baits a squirrel-barrier by bait.
- 653. eraser form obstructs the feeder near impediment.
- 654. the pose covers no-good bait with bait.
- 655. arctic pose balks the lure beside rig.
- 656. the set moves rubber fauna with block.
- 657. the grid obstructs the synthetic-animal near domesticated.
- 658. arctic form holds the block near squirrel-barrier.
- 659. gum pose holds the bird-deterrent beside lure.
- 660. golosh set moves the hindrance near domesticated.
- 661. the natural-lay guards a domesticated with trap.
- 662. eraser place lures the block near being.
- 663. no-good shelving brushes the lure beside animal.
- 664. rubber lay sails a block by rig.
- 665. the elastic-place carries a being with bird-deterrent.
- 666. the place ensnares no-good bird-deterrent with birdfeeder.
- 667. synthetic form rigs the block near impediment.
- 668. rubber form checks the animal near bird-deterrent.
- 669. eraser set sweeps a bird-deterrent by squirrel-barrier.
- 670. the rubber-grid ensnares an impediment with impediment.
- 671. natural pose deflects the trap beside impediment.
- 672. synthetic shelving moves the impediment beside squirrel-barrier.

Det/Adj/Prep 7-token sentences

- 673. gum shelving checks the animal beside being.
- 674. the set balks natural lure with lure.
- 675. arctic lay moves the bird-deterrent beside bird-deterrent.
- 676. the shelving deters golosh rig with impediment.
- 677. the golosh-pose prevents a pin with impediment.
- 678. the grid holds the golosh-hindrance near impediment.
- 679. arctic grid guards the rig near bird-deterrent.
- 680. synthetic set crosses the bait near block.
- 681. the elastic-grid sails a trap with feeder.
- 682. natural place pins the hindrance near bait.
- 683. golosh form covers the eater beside bait.
- 684. the pose checks the eraser-impediment near squirrel-barrier.
- 685. the elastic-shelving deters an animal with impediment.
- 686. the rubber-place carries a hindrance with squirrel-barrier.
- 687. eraser lay sails the pin beside hindrance.
- 688. no-good set brushes a trap by being.
- 689. the no-good-form covers a lure with domesticated.
- 690. arctic set pins an impediment by pin.
- 691. the lay prevents the elastic-eater near lure.
- 692. natural shelving supports the fauna beside rig.
- 693. the gum-form obstructs a trap with hindrance.
- 694. the grid sails eraser lure with feeder.
- 695. the gum-grid guards a squirrel-barrier with birdfeeder.
- 696. the pose deters the elastic-pin near impediment.
- 697. eraser shelving crosses the lure near eater.
- 698. the synthetic-lay ensnares an impediment with impediment.
- 699. the lay obstructs the no-good-eater near domesticated.
- 700. gum lay rigs the being beside lure.

Det/Adj/Prep 7-token sentences

701. rubber shelving ensnares an impediment by being.
702. the form moves the elastic-bait near bait.
703. synthetic pose deflects the domesticated near pin.
704. the form guards natural bird-deterrent with hindrance.
705. eraser form brushes the hindrance beside being.
706. the set deters the elastic-eater near fauna.
707. the pose ensnares arctic bait with squirrel-barrier.
708. the golosh-set balks a being with feeder.
709. synthetic grid supports the rig near block.
710. gum pose obstructs the trap beside lure.
711. rubber set covers a rig by bird-deterrent.
712. no-good pose pins the impediment beside trap.
713. no-good place supports the domesticated beside squirrel-barrier.
714. rubber lay prevents the domesticated beside block.
715. the shelving checks no-good rig with impediment.
716. synthetic form lures a lure by animal.
717. arctic grid checks the trap beside rig.
718. the gum-shelving guards a block with impediment.
719. the form obstructs the rubber-fauna near bird-deterrent.
720. the shelving moves the synthetic-domesticated near hindrance.
721. the synthetic-place deflects a fauna with bait.
722. golosh shelving crosses the hindrance beside bait.
723. the set sails the eraser-animal near bird-deterrent.
724. the pose brushes the golosh-hindrance near hindrance.
725. natural pose brushes the impediment beside fauna.
726. the lay guards the arctic-impediment near squirrel-barrier.
727. golosh grid carries the being near eater.
728. the grid blocks natural squirrel-barrier with being.

Det/Adj/Prep 7-token sentences

- 729. the rubber-grid obstructs a feeder with impediment.
- 730. the form blocks the golosh-squirrel-barrier near impediment.
- 731. golosh place brushes a squirrel-barrier by bait.
- 732. the elastic-grid balks a squirrel-barrier with feeder.
- 733. the arctic-shelving baits a hindrance with impediment.
- 734. elastic shelving carries a being by squirrel-barrier.
- 735. the gum-set checks a lure with squirrel-barrier.
- 736. no-good grid deflects an impediment by block.
- 737. the eraser-lay supports a bird-deterrent with hindrance.
- 738. no-good set carries a squirrel-barrier by bird-deterrent.
- 739. rubber place carries a block by block.
- 740. synthetic set supports the lure beside hindrance.
- 741. the place baits natural block with pin.
- 742. eraser pose moves the impediment near being.
- 743. arctic set covers the block near pin.
- 744. eraser shelving blocks the pin beside being.
- 745. the lay deflects no-good squirrel-barrier with hindrance.
- 746. gum place baits the bird-deterrent beside block.
- 747. gum form balks the bird-deterrent beside bait.
- 748. rubber shelving checks the domesticated near bait.
- 749. gum grid supports a bait by being.
- 750. the synthetic-lay deters an eater with eater.
- 751. eraser grid ensnares a hindrance by hindrance.
- 752. elastic pose blocks the impediment near bird-deterrent.
- 753. the form rigs the no-good-block near hindrance.
- 754. gum lay supports the impediment beside lure.
- 755. the elastic-lay covers an impediment with bait.
- 756. the shelving baits natural squirrel-barrier with rig.

Det/Adj/Prep 7-token sentences

- 757. the elastic-form ensnares a squirrel-barrier with block.
- 758. the pose balks the rubber-trap near bird-deterrent.
- 759. the natural-form brushes a lure with fauna.
- 760. the gum-pose guards a fauna with impediment.
- 761. the set sails elastic bird-deterrent with bird-deterrent.
- 762. the lay sweeps the natural-impediment near hindrance.
- 763. golosh set brushes the eater beside being.
- 764. arctic form carries the hindrance near feeder.
- 765. synthetic grid blocks the block beside impediment.
- 766. arctic pose supports the rig beside animal.
- 767. eraser form carries an impediment by bird-deterrent.
- 768. golosh lay sails the being beside lure.
- 769. the place guards the no-good-fauna near squirrel-barrier.
- 770. synthetic pose supports the fauna beside being.
- 771. the pose crosses natural feeder with bird-deterrent.
- 772. synthetic form holds the block beside pin.
- 773. arctic grid balks a bait by rig.
- 774. the place brushes the elastic-fauna near hindrance.
- 775. rubber lay rigs a bird-deterrent by pin.
- 776. the arctic-lay lures a squirrel-barrier with rig.
- 777. the place holds synthetic feeder with impediment.
- 778. the shelving carries the golosh-fauna near bird-deterrent.
- 779. the grid blocks the golosh-block near trap.
- 780. no-good shelving balks an animal by impediment.
- 781. eraser set lures a squirrel-barrier by hindrance.
- 782. the shelving blocks synthetic bird-deterrent with impediment.
- 783. golosh pose crosses the being beside impediment.
- 784. the grid obstructs rubber bird-deterrent with rig.

Det/Adj/Prep 7-token sentences

- 785. eraser place checks the hindrance beside bird-deterrent.
- 786. the golosh-form sails an eater with bait.
- 787. arctic shelving rigs the hindrance near impediment.
- 788. golosh place pins the domesticated near rig.
- 789. natural grid guards a hindrance by block.
- 790. the grid moves elastic squirrel-barrier with bird-deterrent.
- 791. elastic shelving rigs a birdfeeder by feeder.
- 792. gum set balks a domesticated by fauna.
- 793. the set lures natural impediment with block.
- 794. the gum-place brushes a being with lure.
- 795. eraser lay blocks a being by animal.
- 796. arctic place deters a feeder by rig.
- 797. the shelving rigs eraser block with trap.
- 798. no-good grid prevents the bait near hindrance.
- 799. rubber place deflects a bird-deterrent by impediment.
- 800. the no-good-lay covers a pin with impediment.
- 801. the set lures the no-good-animal near squirrel-barrier.
- 802. arctic set brushes an animal by impediment.
- 803. synthetic set covers the bird-deterrent beside eater.
- 804. no-good form obstructs a domesticated by birdfeeder.
- 805. synthetic lay checks the hindrance near rig.
- 806. the grid obstructs gum bait with feeder.
- 807. eraser grid crosses the bird-deterrent beside being.
- 808. elastic pose moves the bird-deterrent near bait.
- 809. the form guards gum trap with squirrel-barrier.
- 810. elastic lay baits an impediment by hindrance.
- 811. the gum-lay brushes an animal with bird-deterrent.
- 812. rubber shelving baits the being beside block.

Det/Adj/Prep 7-token sentences

- 813. the elastic-form carries a squirrel-barrier with eater.
- 814. rubber pose sweeps the block near squirrel-barrier.
- 815. natural shelving prevents the trap beside impediment.
- 816. golosh set carries the block beside impediment.
- 817. the gum-pose supports a squirrel-barrier with domesticated.
- 818. elastic set brushes a squirrel-barrier by hindrance.
- 819. natural form carries the bird-deterrent near impediment.
- 820. gum shelving sails the being beside bird-deterrent.
- 821. the pose moves the no-good-bird-deterrent near birdfeeder.
- 822. rubber set ensnares a lure by animal.
- 823. the form brushes eraser squirrel-barrier with impediment.
- 824. synthetic grid prevents the animal beside pin.
- 825. the pose blocks synthetic lure with squirrel-barrier.
- 826. the form pins the arctic-squirrel-barrier near animal.
- 827. the pose sweeps the natural-trap near eater.
- 828. no-good place carries the hindrance near birdfeeder.
- 829. golosh lay balks the birdfeeder near impediment.
- 830. the form balks synthetic domesticated with rig.
- 831. no-good shelving baits the fauna beside squirrel-barrier.
- 832. golosh shelving balks a bird-deterrent by feeder.
- 833. rubber form obstructs a squirrel-barrier by animal.
- 834. golosh grid supports the block beside pin.
- 835. the set prevents eraser block with block.
- 836. arctic lay crosses the being near pin.
- 837. arctic pose deters the impediment beside impediment.
- 838. the place pins synthetic block with animal.
- 839. the place checks elastic feeder with impediment.
- 840. the grid crosses the arctic-impediment near lure.

Det/Adj/Prep 7-token sentences

841. the lay holds rubber domesticated with domesticated.
842. the pose baits the golosh-impediment near bird-deterrent.
843. golosh place crosses a bird-deterrent by squirrel-barrier.
844. golosh form balks the block beside lure.
845. eraser place deters the pin beside block.
846. the natural-grid baits a domesticated with eater.
847. natural set guards the domesticated beside impediment.
848. arctic shelving moves the squirrel-barrier beside feeder.
849. the synthetic-shelving sweeps a block with rig.
850. elastic shelving lures the lure beside impediment.
851. rubber grid checks the bait beside trap.
852. gum place moves a domesticated by squirrel-barrier.
853. the place rigs the natural-trap near impediment.
854. no-good grid balks the bird-deterrent near pin.
855. the set covers no-good bird-deterrent with squirrel-barrier.
856. the no-good-form carries an impediment with hindrance.
857. the lay brushes the eraser-impediment near rig.
858. the arctic-set moves a rig with bird-deterrent.
859. the arctic-place rigs a pin with impediment.
860. rubber place sails the pin beside block.
861. the synthetic-lay checks a pin with trap.
862. the eraser-shelving rigs a hindrance with domesticated.
863. synthetic set ensnares a bird-deterrent by eater.
864. the pose brushes eraser bird-deterrent with lure.
865. the form deflects gum hindrance with pin.
866. the grid carries the eraser-domesticated near trap.
867. rubber shelving crosses the animal near birdfeeder.
868. the lay checks the elastic-bird-deterrent near squirrel-barrier.

Det/Adj/Prep 7-token sentences

- 869. the shelving supports the natural-block near impediment.
- 870. the lay rigs natural hindrance with lure.
- 871. gum lay holds the bird-deterrent beside impediment.
- 872. rubber pose pins a being by fauna.
- 873. elastic form holds the eater beside hindrance.
- 874. the grid rigs gum block with being.
- 875. elastic pose checks the trap beside eater.
- 876. gum pose deters a hindrance by animal.
- 877. the set balks the elastic-bird-deterrent near impediment.
- 878. natural pose ensnares the bait near feeder.
- 879. no-good place pins a rig by block.
- 880. gum shelving crosses the fauna beside birdfeeder.
- 881. the set deters golosh hindrance with rig.
- 882. rubber set pins the impediment beside birdfeeder.
- 883. no-good pose carries a squirrel-barrier by trap.
- 884. the form brushes the natural-rig near lure.
- 885. eraser form baits a squirrel-barrier by block.
- 886. arctic form pins the pin beside squirrel-barrier.
- 887. golosh lay brushes a trap by being.
- 888. synthetic pose carries the animal near bait.
- 889. the form sails the synthetic-eater near bird-deterrent.
- 890. synthetic grid covers the impediment beside domesticated.
- 891. the shelving checks the no-good-impediment near rig.
- 892. arctic grid holds the trap near bird-deterrent.
- 893. the pose moves the arctic-impediment near being.
- 894. rubber lay carries a pin by birdfeeder.
- 895. synthetic place crosses a being by trap.
- 896. the golosh-shelving ensnares a birdfeeder with bait.

Det/Adj/Prep 7-token sentences

897. the set obstructs eraser domesticated with eater.
898. elastic place blocks a lure by being.
899. golosh grid brushes the block near rig.
900. the form brushes rubber impediment with hindrance.
901. the lay deflects the arctic-being near block.
902. golosh place carries a block by hindrance.
903. the natural-set balks a trap with eater.
904. eraser place sails an impediment by lure.
905. elastic shelving balks an animal by bird-deterrent.
906. synthetic shelving moves the animal beside birdfeeder.
907. the shelving carries the arctic-bird-deterrent near impediment.
908. the form deters no-good block with pin.
909. the shelving deters the eraser-fauna near squirrel-barrier.
910. eraser pose deters the impediment near rig.
911. the set sweeps synthetic fauna with impediment.
912. rubber grid supports a feeder by domesticated.
913. no-good lay prevents the trap near bird-deterrent.
914. the set crosses arctic pin with rig.
915. the place supports rubber birdfeeder with hindrance.
916. arctic place sweeps the bait beside bird-deterrent.
917. gum place checks an impediment by bait.
918. gum set deters a block by eater.
919. the no-good-grid holds a being with trap.
920. synthetic lay supports a feeder by trap.
921. elastic grid carries a birdfeeder by pin.
922. no-good set covers the birdfeeder near impediment.
923. eraser lay holds the hindrance beside bird-deterrent.
924. the natural-place pins a lure with animal.

Det/Adj/Prep 7-token sentences

- 925. elastic lay prevents the impediment near trap.
- 926. the pose brushes elastic being with bait.
- 927. the rubber-pose lures an impediment with block.
- 928. the lay moves the natural-block near block.
- 929. the pose deters the gum-feeder near being.
- 930. elastic set prevents a block by bird-deterrent.
- 931. the shelving covers rubber lure with impediment.
- 932. natural shelving crosses the bird-deterrent near rig.
- 933. eraser grid deflects the block beside feeder.
- 934. the grid holds gum feeder with squirrel-barrier.
- 935. the place crosses no-good block with lure.
- 936. the golosh-set supports a bird-deterrent with being.
- 937. gum form moves a pin by feeder.
- 938. the lay covers the gum-impediment near bird-deterrent.
- 939. the pose crosses natural impediment with squirrel-barrier.
- 940. the pose moves the synthetic-block near impediment.
- 941. the shelving brushes no-good trap with hindrance.
- 942. the rubber-lay brushes a hindrance with fauna.
- 943. arctic pose checks the pin near bird-deterrent.
- 944. the grid ensnares synthetic hindrance with being.
- 945. synthetic form ensnares the squirrel-barrier near bird-deterrent.
- 946. the set covers the rubber-impediment near lure.
- 947. the grid brushes arctic being with bait.
- 948. the form blocks the natural-impediment near impediment.
- 949. eraser form supports the pin beside rig.
- 950. the pose checks the no-good-feeder near impediment.
- 951. golosh lay brushes an impediment by birdfeeder.
- 952. eraser set guards the hindrance near hindrance.

Det/Adj/Prep 7-token sentences

- 953. elastic place ensnares the impediment beside impediment.
- 954. the pose checks the golosh-rig near animal.
- 955. the place prevents synthetic impediment with block.
- 956. the rubber-form checks a rig with feeder.
- 957. the shelving carries the synthetic-impediment near rig.
- 958. the lay lures the arctic-bird-deterrent near bird-deterrent.
- 959. the place sweeps the eraser-squirrel-barrier near bird-deterrent.
- 960. elastic shelving brushes an animal by being.
- 961. golosh form deters a being by hindrance.
- 962. the place deters the golosh-impediment near feeder.
- 963. the golosh-grid covers a hindrance with block.
- 964. the shelving sails the eraser-lure near bait.
- 965. no-good form deters the pin near squirrel-barrier.
- 966. the arctic-shelving sweeps a squirrel-barrier with impediment.
- 967. eraser pose balks a hindrance by eater.
- 968. the rubber-grid supports a bait with bait.
- 969. no-good lay baits a block by bird-deterrent.
- 970. synthetic set pins a bird-deterrent by feeder.
- 971. arctic set deflects the pin near impediment.
- 972. rubber place obstructs the bait beside animal.
- 973. gum place holds the bait beside fauna.
- 974. arctic place baits the impediment beside impediment.
- 975. elastic set carries a squirrel-barrier by pin.
- 976. the synthetic-lay holds a feeder with bait.
- 977. elastic lay checks the domesticated near bird-deterrent.
- 978. eraser lay deters the animal near impediment.
- 979. the rubber-shelving checks a hindrance with hindrance.
- 980. the natural-place deters an impediment with rig.

Det/Adj/Prep 7-token sentences

981. the set balks the no-good-hindrance near impediment.
982. gum pose lures a block by feeder.
983. the rubber-pose rigs a hindrance with eater.
984. gum lay carries the feeder beside hindrance.
985. natural pose crosses an eater by bird-deterrent.
986. the place baits the no-good-squirrel-barrier near hindrance.
987. gum form prevents the squirrel-barrier near impediment.
988. the gum-shelving guards a pin with hindrance.
989. eraser grid deters the impediment beside lure.
990. the grid crosses gum squirrel-barrier with pin.
991. the set sails golosh bird-deterrent with lure.
992. no-good shelving carries the impediment near eater.
993. the form obstructs arctic hindrance with birdfeeder.
994. arctic pose moves the bird-deterrent beside being.
995. synthetic pose ensnares the rig beside impediment.
996. the form pins the synthetic-trap near hindrance.
997. the lay checks rubber squirrel-barrier with lure.
998. eraser form balks the squirrel-barrier beside hindrance.
999. synthetic grid sweeps the block beside squirrel-barrier.
1000. the arctic-grid ensnares a squirrel-barrier with animal.
