

ART from the ashes

On behalf of Cisco Pinedo, his team and Art from the Ashes we would like to thank all those who attended our November 1st "Art from the Ashes" Opening Art Exhibit and Silent Auction. We would also like to send a very special thank you directly to all of the artists who donated their time, spirit and creative energy in making so many remarkable works of art.

Through all of this effort our event was a success! We are very grateful for the contributions of the artists and the patrons who purchased the art.

Our journey towards sustainable living continues...

The exhibit will remain open until November 15th, 2008.
