Print Details:

All prints are archival pigment prints, printed on archival cotton rag paper.

Prints over 15 x 19" are issued with a Certificate of Authenticity (CoA) with the collectors name, time printed and edition number. (details below)

Prints are signed in pencil and embossed on the bottom right boarder of the image. The edition number is in pencil on the lower left boarder of the image. Each edition has two - three 'artist proofs', AP/01 - 03.

Framing Details:

All framing choices and shipping arrangements are coordinated with myself, Theo Coulombe or my representative. Framing style is a simple gallery profile in white, black or black coffee

Print Sizing:

Some images sizes will vary. Please refer to the specific image for print measurements and please add 2 - 4 inches all around the printed area to account for a border.

Certificate of Authenticity (CoA)

Damage to the print in shipping or at the framer is covered by the Certificate of Authenticity. A 'CoA' is provided to the buyer with each print over 15 x 19" (inches) indicating the name of the buyer, edition number and date printed. Any damaged print must be documented then, completely destroyed before a new print with the same edition number is issued to the original collector/buyer.

Depending on your original print size there will be a \$50 - \$500 charge for your replacement print. If framing was purchased with the original print there will be an appropriate charge to the collector for re-framing. Applicable shipping and/or installation charges will apply to any re-issue.
