

Introspection and the Shared Table

July 10 - December 31

Opening Reception: July 10 from 5:30-7:30

Neverstill Wines, 739 Warren St, Hudson, NY 12534

Jeannette Montgomery Barron at Neverstill Wines

Neverstill Wines is thrilled to present an intimate exhibition by renowned photographer Jeannette Montgomery Barron, curated by Standard Space Gallery. On view at their Hudson, NY tasting room, this collection highlights Barron's evocative Mirrors and Table Tops series.

Known for her iconic 1980s New York portraits, Barron shifts her lens here to quiet studies of introspection and togetherness. Barron's Mirrors series serves as a conduit for reverie, transforming the physical glass into a meditative view of the interior self. In striking dialogue, her Table Tops series memorializes the ephemeral residue of human communion, archiving the poetic aftermath of shared meals and drinks. These themes beautifully align with Neverstill's own dedication to unhurried conversation. You are invited to slow down, share a glass of Neverstill wine, and experience these enticing images.
